MEMPHIS STATE UNIVERSITY

EVENING DIVISION, SPRING SEMESTER 1967

MAIN CAMPUS

DOWNTOWN

PURPOSE

The Evening Division offers courses both on the campus and in the Downtown Division. By providing such college courses in the evening this division aims at fulfilling several educational needs not met by the regular day program.

A major objective is to provide instruction leading to baccalaureate degrees for those who, for a variety of reasons, are not able to attend during the day. In a large measure this is simply an extension of the day program into the evening hours. Regular courses are offered and residence credit is granted.

In addition, The Evening Division provides (a) formal courses for students already holding college degrees but desirous of further training; (b) adult vocational-technical training for those seeking upgrading or change in employment; (c) basic lower-division and pre-professional programs for those preparing to enter professional schools; and (d) an extended general education for those interested in increasing their civic and social competence.

ADMISSION

ADMISSION REQUIREMENTS: It is recommended that prospective students study detailed admission requirements as stated in the current Memphis State University Bulletin, pages 62-64.

All students desiring to enter Memphis State University Evening Division must comply with the following:

A student who desires to take only a limited number of courses and who indicates that he is not presently working toward a degree and who is competent to read, write and study at the university level may be admitted as an Adult Special Student subject to the provisions as stated on page 65 of the current bulletin. He must:

- (a) File application for admission with the Director of the Evening Division and pay application fee of \$5.00 by day of registration.
- (b) If applicant is under 21 years of age he must have graduated from high school. He must furnish a transcript of units earned stating the date of graduation. This document must be mailed by the school from which the student graduated to the Director of the Evening Division.
